WHO ARE WE?

Lewis Legacy Co. delivers contract security services across the Atlanta metropolitan area. Founded in 2017, we serve residential communities, commercial properties, healthcare facilities, retail businesses, construction sites, and event venues.

Our services include guard patrol, site protection, executive protection, fire watch, and loss prevention. Owner-led operations bring more than 20 years of security industry experience to personnel deployment, risk management, and responsive client communication.

OUR MISSION

To provide dependable security and asset protection through professional personnel, site-specific plans, and clear communication with every client.

Serving the Atlanta Metro Area

CORE COMPETENCIES

- **Guard Patrol & Site Protection:** Uniformed armed and unarmed security, mobile patrol, foot patrol, and site coverage for residential, commercial, healthcare, and construction properties.
- **Access Control & Perimeter Security:** Entry monitoring, perimeter surveillance, and site-specific security protocols to support orderly access and a visible security presence.
- **Executive & Event Protection:** Personal protection, VIP coordination, crowd management, and access control for events, venues, and executive assignments.
- **Loss Prevention & Asset Protection:** Retail surveillance, theft prevention, inventory protection, and response to suspicious activity.
- **Fire Watch & Pool Monitoring:** Dedicated site coverage and community monitoring to support property safety requirements and community policies.
- **Risk Management & Documentation:** Threat assessment, risk mitigation planning, conflict resolution, de-escalation, and accurate incident documentation.

WHY CHOOSE US?

- Owner-led service backed by more than 20 years of security industry experience.
- Multi-site leadership covering deployment, supervision, training, and scheduling.
- Site-specific protocols, documented incidents, and direct client communication.

PAST PERFORMANCE

- **6000 Hillandale Medical Center**
Healthcare site protection, mobile patrol, and parking security.
- **Parks at Stonecrest / Park Place South**
Residential patrol, HOA policy enforcement, access control, and pool monitoring.
- **Manny's Bar**
Event security, crowd control, access management, and VIP protection.
- **Nacirema Clothing**
Retail asset protection, surveillance, and loss prevention.

PROFESSIONAL TRAINING

- GAFASTA Armed & Unarmed Security Guard Training
- Georgia Firearms & Security Training
- AOP Personal Protection Training
